3. Play the Factory mini-game to manufacture chocolates from the recipes at your disposal.
4. Track down new recipes by exploring the ports you visit.

## **Multiplayer Options**

N/A

## **Tips and Tricks**

- Visit every spot in each port you visit.
- Accept the quests you are offered; it's the only way to gain the recipes you need.
- Make sure your factories have all the ingredients they need; if they run out of an ingredient, they will stall until you buy more.

## **FAQs**

### **How do I travel around the world?**

On the map screen, press left or right on the D-pad to move the highlight to a new port. Select the port and then select yes to travel to that port.

### **How do I buy ingredients?**

In every port you will find a market. Different markets offer different items for sale, so what can be found in one port may not be available in another. To buy an ingredient, select the ingredient from the Market menu, enter the amount you'd like to buy, and then select Yes. Make sure you have enough money to afford your purchase.

### **How do I make chocolates?**

First, you must decide what recipe you wish to make, and ensure you have all the ingredients you need. Then select any factory you own, change the recipe, and then select Make Chocolates! You must fire the ingredients into the trays in the proper proportions, which you can find in the bottom left of the factory minigame.

### **How do I make money?**

In order to make money, you must have chocolates to sell. If you have chocolates to sell, go into any chocolate shop (there's one in every port, and sell as much or as little of your chocolate inventory as you like.

### **How do I find new recipes?**

In the ports you visit, you will find people to talk to. Some will offer you quests to perform, and in return for these quests they will give you money, recipes, or both.
